

FOSTER HOMES NEEDED For Small Breed Rescue

Do you want to do something that makes you feel good this year? How about fostering one of the many homeless dogs needing to be saved from crowded shelters and owner surrenders. Caring Hearts Rescue is a non-profit small breed dog rescue based in Fairfax county, Virginia. CHR will pay for all expenses associated with fostering the dog including medical care, food, and other supplies. All you have to do is provide a safe home while we search for a forever home for your foster dog. We make sure that you are fully involved in the process and value your input. Contact us today for more information. We can't wait to hear from you!
