

# THIS DOGGIE NEEDS YOU!!!

Snickers is just one of the many dogs saved just in time. He's currently being fostered by [www.caringheartsrescue.org](http://www.caringheartsrescue.org), but we're hoping to find him an experienced doggie parent with 1 or less dogs in the household. Caring Hearts Rescue is a small dog rescue located in the DC-Metro area. Rehabilitating dogs is part of the foundation of the rescue so rest assured you will be provided with resources to help if you decide to foster for CHR. Fostering a rescue dog is rewarding in so many ways. Imagine saving a life and not having to worry about the vetting cost! CHR covers all vetting and supply cost for your furry foster guest. All you have to do is provide a safe and loving home while we search for the forever home. Contact us today to discuss fostering a CHR dog. We can't wait to hear from you!
