## FOSTERS **NEEDED**

Thousands of dogs are ending up in shelters in our country daily due to the current financial crisis. Request for help outnumber the current foster homes we have. Without foster homes our Rescue could not exist. Please, consider fostering one of our orphaned dogs for a few months to help while we search for the right family. Every dog in our system is neutered\spayed, vaccinated, fecal tested, heartworm tested and food is supplied if needed.

Every foster family will receive 100% support from our organization and a volunteer is ready on hand to answer any questions or concerns you may have.

Please, contact us today to get started!!!
